

This is from the Alumni vs. Cadets game this past weekend 11/11/06. There was no one CLOSE to my age on the field and a couple of the cadets were actually sons of Alumni that were in school with me (I was class of 77. Some of the Alumni on MY team were not even born until after I graduated (that'll humble you!) Note in the 1st photo I'm sporting the Carolina Sportscare Tri bandanna which helped keep my ears pinned back and protected. 2nd photo shows Alumni (white) and Cadets Scrums getting ready to engage. I'm playing hooker front row center in that photo.

(Continues below...)

What this all boils down to is a big thank you to Carolina Sportscare for keeping me healthy enough to continue participating in athletic activities I enjoy. You all keep me on the road/field/water.
